

Crochet Edgings Trims

Add an exquisite touch to your work! A sequel to the best-selling book, *The Beaded Edge*, this guide teaches beaders and crocheters alike how to add personal touches to a wide variety of fabric projects using gorgeous edges and embellishments. *The Beaded Edge 2* explores Traditional Turkish oya, the delicate edgings for fabric--created using thread, knots, and beads. Designer Midori Nishida was fascinated by these edgings, and created a series of them based on traditional motifs of flowers, fruit, leaves and vines, and geometric designs such as scallops or stars. Step-by-step instructions for 18 edgings comprise the book, along with inspirational photos showing their use as trims for clothing, accessories, and home furnishing: everything from dresses, collars, pockets, cuffs, and hems; handbags, scarves, hats, and jewelry; and pillows, tablecloths, desk accessories, and kitchen linens. A section also discusses the history and traditions of Turkish oya. *The Beaded Edge 2* combines rich Turkish traditions with diverse and captivating designs that you'll be proud to place on your pillow or around your wrist. Get 25 small and quick crochet projects from top designers to add color and cheer to your home! In *Crochet at Home*, editor Brett Bara and a team of crochet experts bring 25 exciting home projects to life. Explore a collection of practical, pretty pieces for your kitchen, living room, and bedroom: from a riotously colorful blanket, to a delicate bunting of crocheted snowflakes, to flower-inspired trivets that are anything but dull--and even a full-sized ottoman! Techniques such as felting, lace, and crocheting with wire will appeal to beginner and advanced crocheters alike. Projects are made in affordable yarns, especially for large pieces and ones that take a beating, like kitchen accessories. Join Brett and her team of all-star crocheters in this cheerful, affordable, and occasionally humorous take on home decor in this new and approachable resource.

A beautiful border adds the perfect finishing touch to your hand-stitched pieces. A knitted scarf, a crocheted baby blanket, even a store-bought tank top --- they're all elevated by the texture and color of crocheted edgings. Complete with detailed instructions for executing the 90-degree corner turns, Edie Eckman's 150 border designs add pop and whimsy to everything they embellish. "An irresistible book of cute crocheted borders...expands the options for adding a little flair to knit, crocheted, and even sewn projects."---Debbie Stoller author of the *Stitch 'n Bitch* books

This is the ultimate collection of crochet stitch inspiration! 440 stitches are presented in color, each with a sample swatch of the fabric and charted instructions with notes and detailed chart keys. Divided into ten chapters by the type of stitches, such as shells, waves and chevrons, openwork, cables and textures, and even borders and granny squares, this collection boasts a vast variety of stitches, well organized and presented in an easy-to-use fashion. You'll reference this indispensable resource again and again!

If you ever find yourself wondering what to crochet next, then just open this book, and you're guaranteed to find the answer. *200 Fun Things to Crochet* is an irresistible collection of cute little crochet projects for all levels of ability. Containing a mix of beautiful projects inspired by nature--crochet flowers, birds, bugs, leaves, and even sea creatures--as well as a collection of charming floral squares, you'll want to pick up your hook, sort through your yarn stash, and get started right away. The 200 projects are quick to make, use hardly any yarn, and are perfect as stylish embellishments, to give away as a gift or to keep for yourself! Presents a collection of thirty designs by such leading contributors as Lily Chin, Yoko Hatta, and Doris Chan, explaining how to use such inventive yarns as Kureyon Silk Garden and Taiyo to crochet a swirly hat, a trendy bias miniskirt, and other handmade items.

Crochet trims give the perfect finishing touch to handmade garments and accessories, or they can be used to lengthen or revitalize old favourites and plain shop-bought items. Find out how you can quickly and easily customize everything from cardigans, sweaters and shawls to bags, cushions and throws with this collection of 150 beautiful crochet designs. The main directory is organized by type of edging, from delicate lacy borders and beaded trims to fringes, ruffles, and filet-crochet panel insertions. There's even a selection of crochet buttons to give your work a fully coordinated look. Designs are graded according to level of skill and include clear instructions - cross referenced to a step-by-step stitch guide - beautifully photographed swatches, and information on yarn required per length and dimensions of the finished piece. Each section features a simple and stylish project to make, demonstrating delightful ways in which to utilize the trims, from decorative collars and cuffs to bags, baby booties, hair accessories, and extra-special greeting cards.

Kristin Omdahl's Crochet So Fine takes crocheted clothing from fussy to fashionable! By working with thinner yarns and more flexible stitches, crocheters can produce garments that are stylish and comfortable, figure-flattering without being form-fitting and great for layering. And just because the yarn is thin doesn't mean crocheters need to use the smallest of hooks, fine crochet can be quick and easy, too. Crocheters begin by exploring techniques specific to crocheting with fine yarns: gauge, blocking, and garment construction tips to maximize drape. Then they can choose from 20 projects including stunning crocheted pullovers, cardigans, jackets, capes, shawls, scarves, hats, and more. Many of the projects only require one or two skeins of yarn. The designs are interesting to make, using clever stitch motifs, innovative and traditional shaping methods, and a variety of crochet techniques and embellishment ideas. In addition to a variety of stitch patterns, motifs, and techniques, Crochet So Fine includes tutorials with detailed illustrations and instruction on Tunisian crochet, broomstick crochet, and hairpin lace. The garments include couture details such as colorwork, beading, lace, ruffles, tiers, and more. All stitch motifs include charts, and the specialized techniques include how-to sections.

Step-by-step instructions and 40 illustrations for making 20 beautiful projects: tablecloths, bedspreads, lingerie, pillows, clothing. Delicate patterns include Cinderella, Dublin Beauty, more.

This title features a diverse collection of 75 crochet edging patterns, ranging from simple to ornate, and including airy geometric patterns, lush chains of leaves and flowers, and charming pictures. Each design comes with an easy-to-follow guide, including written patterns, instructions for turning corners, stitch charts, and full-sized photos. And there are plenty of project ideas for your finished lace that will suit every taste and skill level.

An innovative collection of 40 stitch and 12 garment patterns from best-selling author Kristin Omdahl, The Finer Edge demonstrates various techniques, construction methods, and versatile applications for crochet edgings. While crochet edgings are customarily used to trim or finish blankets and garments, designer Kristin Omdahl treats you to both traditional and novel new ways to expand your use of edgings. You will learn how edging patterns can be used to create entire fabrics, reformatted to make individual decorative motifs, reverse-engineered from existing fabrics, and even used to create three-dimensional designs. Focusing on construction techniques for edgings, The Finer Edge is divided into separate sections based on top-down, sideways, and bottom-up methods to help guide the reader. Though there are 12 project patterns that highlight the edgings, you'll be inspired to creatively mix and match within each edging's section. Also included in this gorgeous book are charts, illustrations, and photographs of crochet swatches and a pattern collection that includes multiple sizes, including plus sizes.

Discover innovation at its finest with The Finer Edge.

Knitting and beading can blend. Projects include spool-knitted wire and bead jewelry, elegant purses highlighted with beaded fringes, and more.

Crochet trims give the perfect finishing touch to handmade garments and accessories, or can be used to instantly revitalize old favorites and plain store-bought items. Needle-crafters of all persuasions will discover how you can quickly and easily customize everything from cardigans, sweaters and shawls to bags, cushions and throws with this collection of 150 beautiful crochet designs. 150 Crochet Trims offers a really diverse collection of trims. Suitable for both the beginner and avid enthusiast the book is organized in two main sections: first a directory of 150 trims shown actual size (allowing them to be "tested" by holding against a garment, for example). And second, full pattern instructions for each trim. The final section of the book includes a refresher course of crochet stitches and techniques used. The main directory is organized by types of edgings from lacy borders and beaded trims to fringes, ruffles and filet panel insertions. There is even a section on crochet buttons to coordinate with the trims. Each design is graded according to skill level and features clear instructions and beautifully photographed swatches, information on the dimensions of the finished trim and amount of yarn needed per length. In addition, each section includes a simple project demonstrating delightful ways to utilize the trims from collars to cuffs to bags to baby booties. Sure to be a must have resource for all knitters and crocheters!

Have you ever completed an afghan and thought there was just something missing? It was really pretty but...well, it seemed to need something else and it wasn't fringe! What that afghan probably needed was a border. And this book by Jean Leinhauser gives you 50 of them, which can be added to just about any afghan, whether it's knitted or crocheted, to provide the finishing touch. Some of the borders are wide and ruffled, some are narrow and tailored. Others are very feminine, some are more masculine. All of them are fun to work and will turn the plainest afghan into something very special. Stapled; 32 pages.
