

## Crochet Stitches Visual Encyclopedia

*Offering clear, concise knitting instructions, this series has served as a classic reference for handcrafters for more than thirty years. Featuring more than 250 classic and contemporary stitch patterns, this updated guide includes instructions for knitters of all levels. From the basic knit and purl stitch to the seed stitch to a fanciful ladder pattern, each of the featured stitches is detailed with a color photograph and handy how-to instructions. Both new and classic yarn varieties are covered, and insider tips designed to facilitate personalization are featured throughout. For projects ranging from the simple to the ornate, this extensive catalog is brimming with stitch inspiration.*

*Increase your stitch repertoire! Access hundreds of crochet stitches that you can use year in and year out. From two of the most respected names in crochet, this indispensable resource provides excellent value. Find step-by-step instructions for more than 350 stitches, from easy to advanced, including shells, fans, clusters, bobbles, and more. See a swatch for each stitch in a full-color, close-up photograph. Locate quickly and conveniently any stitch you like; stitches are grouped by style for easy reference, and an alphabetical index is also included.*

*Design your own crazy critters with this amazing book of mix-and-match crochet patterns. Choose the body parts that take your fancy from our extensive selection and use your favourite colours. Add stripes, spots or scales, and then turn to the sew-on extras section to select hair, eyes, horns, wings or tails... The flippable pages make it easy for you to follow the patterns in any combination. With 30 heads, one basic body, and 30 different pairs of arms and legs, projects are crocheted in one go from the top down. With step-by-step instructions for all the basic crochet techniques that are needed, this is perfect for beginners. In addition to the flip pattern pages, there are 30 pages of colour photography showing a selection of finished creatures to inspire you.*

*Anyone who loves to crochet needs to have this book on their bookshelf! Crochet diva Melissa Leapman divulges 200 of her favorite crochet stitch patterns in this book--enough designs to keep you busy stitching for years! Many of the patterns included are original designs, and others are garnered from Leapman's years of experience in the industry. The book is geared toward crocheters of all skill levels and is formatted in a way that encourages readers to learn and grow as they sample from the patterns. The beginning of "Melissa Leapman Stitch Collection" features a pattern library with a full explanation of stitch multiples and how they work. Suggestions are offered about how to design basic projects, including afghans, pillows, hats, and more. The book's second section offers stitch patterns arranged by type--from lace to cables to colorwork and beyond. Each stitch pattern is accompanied by easy-to-read instructions, stitch diagrams using international symbols, and a clear photo. If the reverse side of the fabric is interesting for a given pattern, both sides will be presented. A unique icon is used to mark these special patterns, making them easy to seek out for versatile scarves and blankets, which must look attractive on both sides. Readers will want to make hats, scarves, shawls, and more for themselves and friends. The patterns just beg to be stitched. No one can deny it--this book is off the hook. Presents a guide to crochet, providing instructions for eighty-six stitches of increasing complexity, including shells, picots, clusters, and v-stitches.*

*Crochet is the perfect book for people interested in shifting away from mass-produced items, who want to create unique, crocheted pieces. There are more than 80 crochet projects to choose from, and the book helps you get to grips with the basic stitches before leading you to the best projects to try next. Why is it special? \* It's the go-to crochet compendium that combines a step-by-step technique section with 101 projects for crocheters of all levels of ability. \* This comprehensive book takes you through the basics, with useful practice projects to build confidence, before embarking on more adventurous crochet patterns. \* Close-up step-by-step photography and detailed text give you crystal-clear instructions for every crochet stitch. \* A huge variety of projects spans things to wear, items for the home, decorative pieces, and cute gifts. Whether you're looking to crochet oh-so sweet baby booties, amigurumi animals, a granny square bedspread, a one-size-fits-all shopping bag, or a fabulously slouchy hat--you're sure to find something to fit the bill. Statement of responsibility inferred from acknowledgments (page 288).*

*Move beyond granny squares and get ready for crocheted circles, triangles, hexagons, and stars. Edie Eckman opens up the door to crocheting creativity with more than 140 motifs of every shape and size. Embellish your clothing, linens, housewares, and bags with colorful patterns as you put odd yarn leftovers to good use. Step-by-step instructions and color photographs provide the building blocks to limitless possibilities.*

This jam-packed stitch bible begins with a guide to the best tools and equipment, detailed instructions on how to crochet, and information on reading stitch diagrams and understanding crochet abbreviations It offers a selection of the very best stitches, including a few new ones and some reinvented for a new generation. The book is divided into three main sections. The first covers basic crochet stitches. The emphasis here is on texture, and we show how combinations of these stitches can be used to make a huge variety of different crochet fabrics, featuring shells, chevrons, puff stitches, trellis stitches and loop stitches, among others. The second section focuses on motifs in a variety of shapes: circular, square, polygonal, triangular as well as leaf and petal shapes. Regular-shaped motifs can be made in multiples and stitched together to create items such as throws and blankets. The third section covers edgings and trims, ranging from simple cords and braids to more elaborate ruffles and frills. Crochet trims can be used to decorate a plain knit or crochet item, adding a special something to a hem, cuff, neckline or plain blanket edge. This inspiring volume will provide a wealth of ideas to bring new creative elements to your crochet work. Whether you are new to crochet or a seasoned pro, there is always something new to learn.
