

Make And Give

Create your own delicious liqueurs. Pattie Vargas and Richard Gulling provide recipes for over 100 home-crafted cordials to suit every occasion, from cinnamon coffee liqueur to spiced blackberry brandy, and pineapple rum to black walnut liqueur. The simple instructions and insightful tips will have even beginners filling bottles with after-dinner joy. Learn to use your flavored liqueurs to spice up main dishes or add an extra pop of flavor to timeless desserts, and be sure to invite some friends over to enjoy a few sips.

That is a universal desire, but many of us regard wealth and financial independence as a goal which we'll likely never achieve – there are just too many bills that need paying and there is a widespread belief that the money game is rigged. Even people who win the lottery or inherit money often seem to wind up losing it. The evidence suggests you can't win a game that you don't understand – even if you start out winning – because you never understood the game in the first place. So how can you win with money? How can you create independent wealth and hold on to it? This inspiring book by self-made multi-millionaire Rob Moore explains the rules of the game, shares simple tricks for managing money better, details how to create a plan for an ambitious future, and shows you the very best way to become a millionaire – to think and behave like one!

Easy Handmade Crafts, Treats & Inspirations to Fill the World with Kindness Brighten the lives of family members, friends or strangers with the fun projects in Make & Share Random Acts of Kindness. With nearly 50 beginner and kid-friendly crafts, quick and easy ideas and delicious homemade sweet treats and meals, this book is a unique wealth of inspiration to help you and your family spread love all around. The book features stories about acts of kindness, inspiring quotations and tips like teaching kindness to your kids. Mique Provost—the mom behind the popular craft and cooking blog Thirty Handmade Days—includes her one-of-a-kind designs and templates to accompany the projects. They are on easy-to-tear-out pages so you can always be ready for an act of kindness on the go. Mique started doing random acts of kindness to celebrate the birthday of her oldest son who has autism. That magical day sparked a tradition in Mique's family and community, and now she invites you to join in the kindness movement with these special activities. With Make & Share Random Acts of Kindness, you and your family can make a difference in the lives of others—and have a blast while you do it!

Welcome to the Omega Celibacy Club. No sex until graduation. No unexpected pregnancies. No alphas needed. SIMON Even if it's not politically correct to say so anymore, everyone still knows that alphas and omegas are ruled by their biology. Sure, it's the twenty-first century now and most people have given up believing in archaic ideas like fated mates, but just take a look at college drop out rates and you'll see that some things haven't changed at all. Alphas still dominate, omegas still submit, and horny college kids in heat let their hormones dictate poor choices every day. Not me and my roommates, though. Not if I have anything to say about it. Too many of our classmates here at Preston College have gotten knocked up and then dropped out. Given up their goals and dreams just because they've met an alpha with a big... ego. The point here is that there's only one surefire way to avoid that trap, and that's why I started the Omega Celibacy Club. No sex until graduation. No unexpected pregnancies. No alphas needed. And no, I'm not just saying that because I've been hung up on one particular alpha for approximately ever. I'm totally over Hunter King. I mean, not that there was ever anything to get over. Our families have been friends forever and he dated my sister back when I was still just a kid, but even if me and my right hand may have pined for him once upon a time, I barely ever think of him anymore. I mean never. I never think of him anymore. Did I mention I'm over it? HUNTER Weddings are a great place to get laid, but when I show up for my ex's big day, I'm hoping to get a lot more than that. I've never admitted it, but the reason I broke up with her all those years ago was because of her brother. One look at little Simon Lawson and I was a goner. Of course I didn't say anything though, not back then. I didn't touch him. Always kept my distance. I had to, because he was just a kid... but he's all grown up now. I've bided my time for years, but now I'm ready to see if the feeling is mutual. And if it is, I know exactly what I want. I want Simon. I want a family. And I want it forever. And even though I've never been the kind of alpha who imposes his will on omegas, when I finally realize just what it is that my omega needs, I know I'll do anything at all to make that forever happen. In fact, I'll do everything. MAKE ME GIVE IN is the first book in the Omega Celibacy Club series, a contemporary omegaverse world where the only thing stronger than an alpha's will is his desire to keep his omega happy, and where even omegas who don't believe in fated mates sometimes still find them.

With half a million copies in print, How to Read a Book is the best and most successful guide to reading comprehension for the general reader, completely rewritten and updated with new material. A CNN Book of the Week: “Explains not just why we should read books, but how we should read them. It's masterfully done.” –Farheed Zakaria Originally published in 1940, this book is a rare phenomenon, a living classic that introduces and elucidates the various levels of reading and how to achieve them—from elementary reading, through systematic skimming and inspectional reading, to speed reading. Readers will learn when and how to “judge a book by its cover,” and also how to X-ray it, read critically, and extract the author's message from the text. Also included is instruction in the different techniques that work best for reading particular genres, such as practical books, imaginative literature, plays, poetry, history, science and mathematics, philosophy and social science works. Finally, the authors offer a recommended reading list and supply reading tests you can use measure your own progress in reading skills, comprehension, and speed.

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

Inspired by classic gothic literature and movies, Harriet Smith's jewellery fuses dark beauty and humorous horror imagery – and here she shows you how to craft 35 of her distinct and striking pieces. Each project is suitable for beginners to jewellery-making with all the techniques clearly explained. The materials and tools used can be found in many craft, DIY and homeware stores or located on the internet – and there are often alternatives to be found in the kitchen tool cupboard or an old toy chest – so there is nothing to stop you making them in the comfort of your own home. Make the skull earrings, bones bracelet and dead flower corsage from the Fabrics chapter; in Beading and Metalwork there's a Gothic cross necklace, Sweeney Todd earrings and a barbed wire bracelet; and you can have fun with the designs in the Acrylics chapter – including a bat brooch and bottle-top cameo bracelet. Harriet's gothic jewellery isn't just for Goths – her pieces have wide-ranging appeal, are easy to make and fun to wear, and make a truly unique gift. * Gothic style has always been a key trend in fashion – think Alexander McQueen's iconic skull designs. * Vampires – and therefore gothic style – continue to be immensely popular. * Harriet Smith is an up-and-coming graduate from Central Saint Martins College of Art and Design.

E. Schwab's genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The best way to improve your quality of life is through the decisions you make. This book teaches several fundamental decision-making skills, provides numerous applications and examples, and ultimately nudges you toward smarter decisions. These nudges frame more desirable decisions for you to face by identifying the objectives for your decisions and generating superior alternatives to those initially considered. All of the nudges are based on psychology and behavioral economics research and are accessible to all readers. The new concept of a decision opportunity is introduced, which involves creating a decision that you desire to face. Solving a decision opportunity improves your life, whereas resolving a decision problem only restores the quality of your life to that before the decision problem occurred. We all can improve our decision-making and reap the better quality of life that results. This book shows you how.

Step-by-step instructions for making several different types of keepsake boxes.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss these other Shel Silverstein ebooks, Where the Sidewalk Ends, and A Light in the Attic!

A guide to making stylish crocheted gifts year-round, this collection of projects from today's most popular crochet designers is full of perfect projects for every occasion. The first small project book to focus exclusively on crochet, the innovative, unusual, and imaginative designs are provided by various crochet stars such as Doris Chan, Kathy Merrick, Robyn Chachula, and Annie Modesitt, and many others. From easy-to-crochet to more advanced techniques, each project is accompanied by stylish photography and step-by-step crochet instructions. Crocheters will learn to play with color and build color confidence while creating wearables and home decor projects--all using fine yarns and big hooks to achieve a crochet fabric that is fluid and never stiff. Directions on changing colors in crochet, stranding techniques, and how to work over yarn tails are also provided. From baby gifts and mittens for the whole family to home decor and fancy lace, this book is the ultimate gift-giving resource for crocheters, full of various projects they will love to make and be proud to give away.

Ask better questions, and you will get better results. Top business coach Mark Moses has identified four critical questions every business leader should explore on their journey to business and life success. Called The Make Big Happen Questions, they are: 1. What do you want? 2. What do you have to do? 3. What could get in the way? 4. How do you hold yourself accountable? Mark explains how these questions are the foundation of every fast-growing profitable business and how answering them in the right way can lead to exceptional results. With over thirty years of entrepreneurial and business success, Mark is a leading entrepreneur and CEO coach who knows how to turn a good business and a satisfying life into a great business and an extraordinary life. No matter your situation, *Make Big Happen!* will show you how to live, work, and give BIG!"

It's easy to take life for granted. In the pursuit of fame, fortune, or success, we forget to take care of ourselves, missing out on things that bring us joy, happiness, and well-being. It's time to transform burnout into happiness and invest in ourselves, so we can be the best for those who need us most. In *You Can't Give What You Don't Have*, executive coach and leadership educator Greg Hiebert walks you through seven fundamental habits to becoming personally and professionally fulfilled. Drawing on cutting-edge research and real-life examples, he demonstrates how to embrace purpose, cultivate positivity, deepen relationships, express gratitude, visualize hope, be mindful, and keep moving. He also offers techniques to integrate these habits into any challenging, busy life. Well-being and resilience aren't products of luck. Through disciplined practice of these seven habits, you can create a remarkable, fulfilling life-and transform into your very best self.

These step-by-step, illustrated instructions for thirty-five simple projects covering a wide range of techniques, from sewing to paper cutting to painting, including candy board games, nickname handkerchiefs, and hand-drawn pillows.

THE INSTANT NEW YORK TIMES BESTSELLER In an era of safe spaces, trigger warnings, and an unprecedented election, the country's youth are in crisis. Senator Ben Sasse warns the nation about the existential threat to America's future. Raised by well-meaning but overprotective parents and coddled by well-meaning but misbegotten government programs, America's youth are ill-equipped to survive in our highly-competitive global economy. Many of the coming-of-age rituals that have defined the American experience since the Founding: learning the value of working with your hands, leaving home to start a family, becoming economically self-rellant—are being delayed or skipped altogether. The statistics are daunting: 30% of college students drop out after the first year, and only 4 in 10 graduate. One in three 18-to-34 year-olds live with their parents. From these disparate phenomena: Nebraska Senator Ben Sasse who as president of a Midwestern college observed the trials of this generation up close, sees an existential threat to the American way of life. In *The Vanishing American Adult*, Sasse diagnoses the causes of a generation that can't grow up and offers a path for raising children to become active and engaged citizens. He identifies core formative experiences that all young people should pursue: hard work to appreciate the benefits of labor, travel to understand deprivation and want, the power of reading, the importance of nurturing your body—and explains how parents can encourage them. Our democracy depends on responsible, contributing adults to function properly—without them America falls prey to populist demagogues. A call to arms, *The Vanishing American Adult* will ignite a much-needed debate about the link between the way we're raising our children and the future of our country.

A nuanced and comprehensive view of Royce and his role in American pragmatism

Fellicious is a hearty three-course meal of needle-felting techniques, beautifully crafted foods and fun projects that's sure to satisfy your crafty cravings. Start with a nutritious buffet of essential tools and techniques, then browse a variety of yum

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—*The New York Times* "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—*Chicago Tribune* "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—*Boston Herald* "A chatty, generous, chutzpa-filled autobiography."—*New York Post*

Our own actions, individually and collectively, determine the world in which we live. The mindset of today's society has deteriorated because we don't GIVE A DAMN about each other (except for those we really care about). Everything seems to be internally driven and we justify our actions and behaviors, whether right or wrong. As a society, we have become more self-centered, ego and excuse driven, selfish, entitled, violent and more complacent that ever before. Responsibility, accountability and doing the right thing seem more the exception than the rule. And society is killing itself. The solution? To GIVE A DAMN for each other.... every second, minute, hour and day. This book identifies the problems with today's society, and how a GIVE A DAMN behavioral philosophy can fix the situation. What I write is what I feel in my heart. It is what I have observed and experienced over several years and what I think is common sense. I am discouraged by the ongoing transition of today's society into a really bad one. My hope for this book is that people will understand, develop and implement the themes I present; and that this will lead them to act in big and small ways to help others in every circumstance possible, regardless of convenience or personal benefit. My objective is to teach this world what it really means to GIVE A DAMN. Learning how to GIVE A DAMN will be a big challenge but the world needs it badly. There will be challenges along the way, but we should never give up. My dream is to create a GIVE A DAMN revolution, starting with you and me, because individually we make a difference, collectively we change the world. It begins one person at a time, and grows until we have hundreds of millions of people who have joined our GIVE A DAMN revolution. I want to make this world a better place for both present and future generations, and so can you. Order your copy today or to learn more go to: www.giveadamnbook.com

You can go after the job you want—and get it! You can take the job you have—and improve it! You can take any situation—and make it work for you! Dale Carnegie's rock-solid, time-tested advice has carried countless people up the ladder of success in their business and personal lives. One of the most groundbreaking and timeless bestsellers of all time, *How to Win Friends & Influence People* will teach you: -Six ways to make people like you -Twelve ways to win people to your way of thinking -Nine ways to change people without arousing resentment And much more! Achieve your maximum potential—a must-read for the twenty-first century with more than 15 million copies sold!

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In *The Life You Can Save*, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. *The Life You Can Save* teaches us to be a part of the solution, helping others as we help ourselves.

With 35 simple yet striking projects, *Super-cute Felt* is a must-have book for anyone with an appreciation of adorable, hand-crafted objects. Start with the 'Accessories' chapter, packed with pretty brooches, necklaces and scarves to keep you warm and snug - try the cute kitty purse that is sure to delight any little girl. 'Gifts' is next, with plenty of inspirational ideas, such as the fruity pincushion that any keen crafter will use again and again. In 'Homewares', you will find coasters, tea cosies and hot water bottle covers, all with a touch of vintage glamour. Finally, 'Celebrations' has unique decorating ideas for all the holidays, including Christmas, Halloween and Easter. There are projects for all skill levels, so you don't have to be an old hand in order to create something really special. Every design comes complete with clear step-by-step instructions and illustrations to guide you through each step. And at the back is a helpful techniques section explaining all the stitches and skills required, plus tips and tricks to make your creations really stand out.Laura 'Lupin' Howard is completely obsessed with felt and set up her online store Lupin Handmade in 2007 (lupinhandmade.com), selling a range of adorable felt brooches, flower headbands, animal masks and other fun stuff. All her felt-works are 100% hand-stitched, and all the pieces are cut by hand from her own original patterns. She uses no mechanized cutters, sewing machines or glue - everything is literally handmade. Her work has been featured in a number of magazines, including *Cloth*, *Metro*, *Vogue* and *Sew Hip*.

Read the book that inspired the movie! Sixteen-year-old Starr lives in two worlds: the poor neighbourhood where she was born and raised and her posh high school in the suburbs. The uneasy balance between them is shattered when Starr is the only witness to the fatal shooting of her unarmed best friend, Khalil, by a police officer. Now what Starr says could destroy her community. It could also get her killed. Inspired by the Black Lives Matter movement, this is a powerful and gripping novel about one girl's struggle for justice.

Enjoy the simple gift of quilting! Creating a quilt is always a gift--in finding the time to enjoy your hobby, and in giving away your finished piece. In the pages of *Quilt Giving*, you'll find nineteen quilts that make perfect presents for yourself or someone else. The quilt patterns in this book embrace beautiful color and sewing simplicity. You can take your time to enjoy the process and still have a quilt ready for your next baby shower or winter weekend curled up on the sofa! You'll also expand your sewing skills as you experiment with the big block conventions found in *Twinkle*, *Map and Bloom*; use easy corner triangles for simple detail in *Gem*, *Summer and Sprinkle*; or cast tradition aside and use a vertical or horizontal grid in *Path*, *Garden and City*. Treat yourself to the gift of *Quilt Giving*!

- Over 11 million copies sold - #1 New York Times Bestseller for 8 years running - Now celebrating its 25th anniversary *Simple ideas, lasting love* *Falling in love is easy. Updated to reflect the complexities of relationships today, this new edition reveals intrinsic truths and applies relevant, actionable wisdom in ways that work. Includes the Couple's Personal Profile assessment so you can discover your love language and that of your loved one.*

#1 Wall Street Journal bestseller! Jon Acuff, New York Times best-selling author of *Do Over*, *Quitter*, and *Start*, offers strategies for anyone who's ever wondered, "Why can't I finish what I started?" According to studies, 92 percent of New Year's resolutions fail. You've practically got a better shot at getting into jiujiird to become a ballerina than you do at finishing your goals. For years, I thought my problem was that I didn't try hard enough. So I started getting up earlier. I drank enough energy drinks to kill a horse. I hired a life coach and ate more superfoods. Nothing worked, although I did develop a pretty nice eyelid tremor from all the caffeine. It was like my eye was waving at you, very, very quickly. Then, while leading a thirty-day online course to help people work on their goals, I learned something surprising: The most effective exercises were not those that pushed people to work harder. The ones that got people to the finish line did just the opposite-- they took the pressure off. Why? Because the sneakiest obstacle to meeting your goals is not laziness, but perfectionism. We're our own worst critics, and if it looks like we're not going to do something right, we prefer not to do it at all. That's why we're most likely to quit on day two, "the day after perfect"--when our results almost always underper-form our aspirations. The strategies in this book are counterintuitive and might feel like cheating. But they're based on studies conducted by a university researcher with hundreds of participants. You might not guess that having more fun, eliminating your secret rules, and choosing something to bomb intentionally works. But the data says otherwise. People who have fun are 43 percent more successful! Imagine if your diet, guitar playing, or small business was 43 percent more suc-cessful just by following a few simple principles. If you're tired of being a chronic starter and want to become a consistent finisher, you have two options: You can continue to beat yourself up and try harder, since this time that will work. Or you can give yourself the gift of done.

USA TODAY BESTSELLER Take HOLD of your financial future! Learn how to obtain financial freedom through real estate. The final book in Gary Keller's national best-selling Millionaire Real Estate Investor trilogy teaches the proven, reliable real estate investing process to achieve financial wealth: 1. Find - the right property for the right terms and at the right price. 2. Analyze - an offer to make sure the numbers and terms make sense. 3. Buy - an investment property where you make money going in. 4. Manage - a property until it's paid for or you have a large amount of equity to leverage. 5. Grow - your way to wealth and financial freedom.

Offering more than 30 projects for any occasion--birthday, anniversary, thank-you, get well, bon voyage, new baby, Christmas, and more--this collection focuses on small knitting projects that can be completed in a relatively short period of time. The classic to contemporary projects are from a variety of top knitwear designers, including Nancy Bush, Mags Kandis, Pam Allen, Veì ronik Avery, Chrissy Gardiner, Marta McCall, Kathy Merrick, and Kristin Nicholas. Sample projects include garments and accessories for the entire family, gifts for four-legged friends, and items for the home, ranging from beautiful hats, bags, scarves, socks, mittens, and gloves to unique gifts such as a felted oven mitt, napkin rings, baby blocks, a hobby horse, a catnip mouse, a car seatã"riendly baby bunting, and floral ballet shoes.

With detailed instructions and helpful photos, these projects are perfect for knitters looking for small projects to keep or give away.

LBC Collection copy was presented to Lancaster Bible College in honor of Charlie Jones for the Charles & Gloria Jones Library, Tonya Collins.

The #1 New York Times bestseller. Over 2 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Examines the critical art of rethinking: learning to question your beliefs and to know what you don't know, which can position you for success at work and happiness at home. It is a book about the benefit of doubt, and about how we can get better at embracing the unknown and the joy of being wrong

The long-awaited home décor bible by the beloved design blogger “Thank you,” wrote a reader to Design*Sponge creator Grace Bonney, “for teaching me that houses don’t have to be frumpy and formal. They don’t have to be matchy-matchy or rigidly modern.” They can just be comfy and unique and reflect who you are, no matter how small your budget or space. That reader is one of the 75,000 unique daily visitors to Design*Sponge, who make it the most popular design site on the web. The site receives 250,000 pageviews every day and has 150,000 RSS subscribers and 280,000 followers on Twitter. Design*Sponge fans have been yearning for the ultimate design manual from their guru, Grace, and she has finally delivered with this definitive guide, which includes: • Home tours of 70 real-life interiors featuring artists and designers • Fifty DIY projects, with detailed instructions for personalizing your space • Step-by-step tutorials on everything from stripping and painting furniture to hanging wallpaper and doing your own upholstery • Fifty Before & After makeovers submitted by readers of Design*Sponge—real people with limited time and realistic budgets • Essential tips on modern flower arranging, with 20 arrangements With over 700 color photos and illustrations and projects that are customizable, relatable, and affordable, this is the democratizing design book everyone has been waiting for.

Successful Philanthropy is a practical guide to modern giving that redefines philanthropy for today’s era. Far more than making monetary donations, philanthropy today encompasses giving time and knowledge, resources that can be just as valuable as financial contributions. Whether you’re a new philanthropist, a member of a charity’s Board of Directors, or just getting started as a volunteer, Successful Philanthropy offers the practical guidance and inspiring perspective that empowers all of us to take part in building a better world. The possibilities of philanthropy are almost limitless. Successful Philanthropy removes the guesswork and helps you shape your own personal path, providing much-needed insight and guidance into making philanthropy a lasting part of your life. Learn to identify your passions and interests and discover how they can guide your philanthropic work. Find the best ways to choose a charity that will offer personal fulfillment while also making the best use of your contribution to the cause of your choice. A comprehensive guide, Successful Philanthropy provides details on all aspects of philanthropy, including what most boards look for in a candidate and, for those who are thinking of starting a charity, specific information on what anyone ought to know before venturing in that direction. Though philanthropy is a big word, it can be practiced in small ways anywhere, and anyone can become a part of building lasting change. Successful Philanthropy discusses the importance of teaching the next generation the value of giving in schools and at home to improve our community, our country, and our world. Giving back to those in need is among the most rewarding and self-fulfilling parts of being human. Successful Philanthropy invites you to explore the many ways that you can find fulfillment through a lifetime of philanthropic giving. From the Hardcover edition.
