

## The Celestine Prophecy

*The adventure that began with The Celestine Prophecy continues as the action shifts to a wilderness in the American Southeast where the narrator's friend has disappeared.*

*On December 21, 2012, the Mayan calendar will end. Many see it as an apocalyptic sign. But is it? In The Twelfth Insight, the long-awaited fourth book in the beloved Celestine Series, we again follow our Hero and his close friend Wil. They have just received a portion of another ancient and mysterious manuscript that describes a secret approach to spirituality that is silently arriving in the second decade of the 21st Century. But the manuscript is only available in fragments. To understand its full meaning for mankind, our Hero and Wil begin an urgent search to find the message in its entirety. As they embrace the power of synchronicity and begin their search, they are confronted by powerful political forces and religious extremists that stand in the way of these spiritual revelations. Utilizing what he calls the "parable effect," and based on his own sources, James Redfield explores the similarities and differences that exist among the world religions, revealing the essential messages contained within them that can energize our experience of spirituality-- and produce a new wave of integrity and reform that can transform our lives and our world.*

*"This book will be one of the most, if not the most, pivotal leadership books you'll ever read!" - Andy Stanley "If you're ready to lead right where you are, this book can show you how to start!" - Dave Ramsey "Read this book! The marketplace is full of leadership messages, but this one is a stand out." - Louie Giglio Are you letting your lack of authority paralyze you? One of the greatest myths of leadership is that you must be in charge in order to lead. Great leaders don't buy it. Great leaders lead with or without the authority and learn to unleash their influence wherever they are. With practical wisdom and humor, Clay Scroggins will help you nurture your vision and cultivate influence, even when you lack authority in your organization. And he will free you to become the great leader you want to be so you can make a difference right where you are.*

NEW YORK TIMES BESTSELLER \* A renowned psychic medium teaches us how to recognize and interpret the life-changing messages from loved ones and spirit guides on the Other Side. "A collection of incredible stories . . . that speak to the universe's endless capacity for magical moments."--Goop Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller The Light Between Us. She possesses an incredible gift: the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding "the secret language of the universe" is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, and see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In Signs, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced uncanny revelations and instances of unexplained synchronicity, as well as others drawn from her own experience. There's the lost child who appears to his mother as a deer that approaches her unhesitatingly at a highway rest stop; the name written on a dollar bill that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact moment of Jackson's own father's passing; and many others. This is a book that is inspiring and practical, deeply comforting and wonderfully motivational, in asking us to see beyond ourselves to a more magnificent universal design. Praise for Signs "This stirring guide . . . asserts that anyone can learn to understand messages that are sent from the 'Other Side.' . . . For readers struggling with loss who believe it's possible to communicate with the deceased, this book will console and empower them to look beyond their suffering."--Publishers Weekly "This brilliant book by the renowned psychic medium Laura Lynne Jackson is a guidebook to and translator of the mysterious spiritual language of the universe. Through a series of touching personal stories, Signs teaches us how to discern and understand the myriad spiritual signs in our lives. Laura Lynne's beautiful and compassionate heart shines through every page. This book is both excellent and important, and I highly recommend it to all."--Brian L. Weiss, M.D., author of Many Lives, Many Masters

In a world racked by violence and conflict, James Redfield and Michael Murphy—leading cocreators of today's spiritual boom—present a message of hope and a vision for the future. It is no accident, they argue, that the twentieth and early twenty-first centuries have witnessed a revolution in new human capacities. Daily we hear and read about supernatural athletic feats; clairvoyant perception; lives transformed by meditative practices; healing through prayer—and we ourselves experience these things. The authors contend that thousands of years of human striving have delivered us to this very moment, in which each act of self-development is creating a new stage in planetary evolution—and the emergence of a human species possessed of vastly expanded potential.

*The Celestine Prophecy is an action-adventure adaptation of the hit novel by James Redfield, a film that moves so swiftly it can be difficult at times to absorb the New Age philosophy tucked into Redfield's multiple, so-called Insights. Matthew Settle plays an American history teacher who travels to Peru to look into the discovery of an ancient manuscript that foretells the arrival of a new spirituality. The Peruvian government and Catholic church, threatened by something that might supplant traditional religion and mainstream values, harass and arrest the scientists and enlightened souls who discovered the manuscript. Our hero becomes involved in a dangerous effort to keep the document from official hands; along the way, he's introduced to the prophecy's major principles, which arouse his dormant spiritual abilities. Annabeth Gish, Hector Elizondo, and Jurgen Prochnow are a welcome presence in this light and sometimes confusing, if casually engaging work that requires repeat viewings to fully hear its interesting message.*

*Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.*
